

WORKSHOP ON SYSTEMATIC REVIEW AND META ANALYSIS
ACTIVITY REPORT
DATE: 10-04-2019 to 11-04-2019 VENUE: TIME:
SPEAKER: PROGRAMME CONDUCTOR: NO. OF PARTICIPANTS: 35
SUMMARY <p>Government Dental College and Hospital, Mumbai held a two- day workshop on “Systematic Review and Meta Analysis” for post- graduate students, Ph. D. students as well as staff members. The first day involve an in- depth review on understanding the necessity of a systematic review and the various steps that are involved in conducting such a review. The participants were then involved in an activity on the PICOT criteria where they were given a topic and had to formulate the PICOT strategy accordingly. The second day helped understand the risk of bias assessment as well as data extraction. The workshop concluded by understanding the forest plot and writing the discussion based on the results obtained. A total of 35 participants attended this workshop.</p>

WORKSHOP ON RESEARCH METHODOLOGY
